They Compromised at Last

Mr. and Mrs. Jones were undecided what automobile they should buy. Mr. Jones wanted a Buick. But Mrs. Jones would have nothing but a Maxwell. They kept quarreling for months about it. At last they compromised the matter by going down to B. W. Hooker & Co.'s and selecting a nice Collapsible Go-Cart. It was the Wagner brand.

Consider Your Baby's Comfort

When you take the little fellow out for a ride in the open air during the hot summer, don't make him ride in a cart that is stuffy and padded on all sides so that he will be hot and uncomfortable.

Get one of these cool, leather-lined collapsible carts that are handy for you and convenient for him. They don't take up much space—they are ball-bearing—move about easily—are graceful—attractive—and they work well anywhere.

The prices are remarkably low.

On Go-Carts at the present time, we have a nice stock—a stock not over forty-eight hours old—but on Baby Carriages we are sold out and have been for a month, although we doubled our last season's order. Should you prefer a Carriage to a Go-Cart, come in and see the F. A. Whitney Carriage Co.'s (the leader for fifty years) Photographs, order a Carriage, take thirty per cent off the list, and if the Carriage is not perfectly satisfactory you need not take it. That's fair, isn't it?

Water Sale!

Our water sale started off Saturday morning with a big rush. We were very sorry that our store was not large enough to accommodate the crowd—after letting in between 400 and 500 people we were obliged to close our doors on as many more. This was very hard to do as there were ladies in that lot that were of families that had helped us to save what was saved of our stock on the evening of the Saturday before when it looked as though A. P. Abbott & Co. had had a pretty close call. We have handled this water sale as best we knew how. If we have made any mistakes in its management it points to a defect in our judgment. We have tried. We had over \$8,000.00 worth of goods in this sale and while Saturday was a big day you haven't got it all yet. Some of the best values have been passed over. The following kinds you should look up at once as we won't have a chance to tell you about them again.

Water Sale

Read carefully. We don't want you to buy one penny's worth of these goods unless you can use the goods and make a big saving. Then you and we both will feel pleased. Remember that not all of our store was wet, but that \$8,000.00 worth was wet, and the following is a list of things that caught in some way that wetting.
Just a few Parasols and Umbrellas at water prices.
About 400 yards of 12 1-2c Silk-lines, at water prices.
A piece each of White and Ecru Striped Scrims, also two pieces of Figured Scrim at water prices.
About 400 yards of thin Wash Goods in new figured patterns at water prices.
Several pieces of real Scotch Ginghams now at water prices.
A few dozen of Holeproof 33c Ladies' Tan Hose, water price 15c per pair.
One counter of short lengths of Braids, Laces, Dress Trimmings and such like at water prices.
Several Ladies' or Gents' Leather Traveling Bags at water prices.
One Stave Trunk, a nice one, a little wet at the end, not enough to hurt this at water price.
A few boxes of Saxony Yarn at water price.

Ladies' Dresses

We have received by express this morning a few Linen Dresses in sizes from 32 to 40. These are good Linen Dresses, at only \$2.98 each.

At \$7.98 are a few Junior Suits in sizes from 15 to 17 years. Are Suits that sold at from \$15.00 to \$20.00.

At \$7.98 are a lot of Ladies' Suits. Are not soiled, but good stock. Were mused a little.

At \$9.98 are a lot of Suits in ladies' sizes. Suits that sold at from \$18.00 to \$30.00. To clean up stock at only \$9.98.

The whole of our regular Suits that were not soiled or were wet we are putting into this clean-up sale at one-half price.

This means Suits that sold at \$25.00 now \$12.50; and \$30.00 Suits, now \$15.00; and \$30.00 Suits at \$15.00. You cannot afford to miss these values.

At 50c are a lot of White and Colored Shirt Waists that were mused up in our Saturday sale.

Ladies' Long Coats

There were left from our Saturday sale a few of these Long Coats that were somewhat spattered with water, but not soaked. These are selling at \$5.00 each to clean up the stock. The Coats that sold at from \$10.00 to \$15.00. Now only \$5.00.

There are three Pongee Coats left that sold at \$18.00 and \$20.00. To clean up stock are now \$5.00 each.

At \$3.00 are five medium weight College Coats. Are an extra good value, as they are made from an all-wool men's worsted suiting and sold at from \$7.50 to \$10.00.

At \$5.00 are a few Ladies' Coats that were somewhat wet but not greatly soiled. Are Coats that sold at from \$12.00 to \$15.00.

We have just received by express a lot of White Skirts in the rep and bedford. These we are selling at from \$2.00 to \$2.98. Are our season's best values.

Ladies' Tailored Suits

One rack of Suits that sold at from \$15.00 to \$30.00 each, in this sale at \$7.98 and \$9.98 each. These Suits were not wet, but are odd Suits we are anxious to close at once.

At one-half price are a lot of Ladies' Suits in the season's best qualities. Are Suits that sold at from \$15.00 to \$30.00. Were not wet.

These are Suits that are the season's best values, only one or two of a kind left. We want to clean up our stock. So we are putting these prices on at this time to clean them up.

There are a few extra good values left in Children's Coats. These are Coats in sizes from 2 to 6 years, that sold at from \$3.50 to \$7.50. Now only \$2.00. Many of them were not soiled at all.

At \$3.00 are a few Children's Coats in sizes from 6 to 14 years. These are all put in at \$3.00 to clean up stock.

When ladies and misses can buy from this Water Sale Suits, Coats, Dresses, Waists, Skirts and Rain Coats that are not hurt in any way for wear, only need a little pressing, they are saving dollars that they can use for other things, where their neighbors that do not make this extra saving won't have that extra money to spend.
